14th Edition of International Conference on Health and Primary Care, May 28-29, 2018, London, UK

14th Edition of International Conference on Health and Primary Care, May 28-29, 2018, London, UK

Healthcare Conference extends a warm welcome to the distinguished Nobel laureates, speakers, delegate and Healthcare Professionals, Pharmacists and Epidemiologists from around the world to USA, for attending Fourteenth Edition of International Conference on Health and Primary Care during May 28-29, 2018 in London, UK

The theme of the congress is “Technologies Revolutionizing health and primary care” to provide a premier inter-multi-trans-disciplinary forum for researchers, practitioners and educators to present and discuss about healthcare careers, the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the health promotions, disease preventions, program development, and nutrition interventions.
