Matrix COSEC Field Visit Management

In today's era of globalization, it is important to have talented and skilled employees in different locations. To significantly improve field operation, managing and analyzing your team deployed in the field is a key task. Whether it is logistics, hospitality, construction or retail industries, it is essential to have effective communication with workers to keep morale up and for better planning of field employees. With the traditional system, it becomes a herculean task to manage remote employees. Matrix COSEC Field Visit Management is a comprehensive web based field employee's portal. It involves management of field employee's activities. It allows management of Field Tasks done by employees under various Field Schedules. It provides live tracking of field employee schedules via reports with real-time notifications on exceptions.

Key Features:

- Replaces Manual Management of Field Workers
- Real-time Monitoring of Time-Attendance
- Saves Time
- Better Planning of Field Employees
- Accurate and Quick Salary Payments

Benefits:

- 1) Higher Productivity
- 2) Reduced Cost
- 3) Higher Employee Morale
- 4) Saves HR Time in Trivial tasks
- 5) Automated Attendance Process
