Kerala Packages Launches Dedicated Travel Portal to Enhance Kerala Travel Experience

Kerala Packages, the fastest growing online travel agency offers exciting options to explore Kerala through their custom tour packages.

Kerala Packages, the fastest growing online travel agency offers exciting options to explore Kerala through their custom tour packages. It has just launched its new website KeralaPackages.co which enables customers to choose customized themes and destination packages of their choice. Choices can be made from tailor-made themes that are much sought after by the tourists who wish to enjoy a memorable holiday tour in Kerala. The themes on offer are Backwater, Beaches, Hill Station, Holidays, Honeymoon, Houseboat, Wild Life; covering the unique natural bounties for which Kerala is renowned.

Some of the destinations that can be visited during a tourist's sojourn in Kerala are Alleppey, Kanyakumari, Kochi, Kovalam, Komarakom, Munnar and Thekkady; to name a few. The duration of Kerala tour can range from 2 Nights and 3 Days stay to 6 Nights and 7 days.

Kerala Packages strives to stand ahead of others in providing best offers to their customers, first class and luxury facilities all through the tour and takes care of all lodging, transportation, food, sight-seeing requirements. Providing hassle-free arrangement and seamless transfers leaves the tourist in a relaxed and peaceful state of mind to truly explore the 'God's Own Country', making the trip memorable for a lifetime.
