Manual Directory Submission from SEOSiteAdmin

SEOSiteAdmin will submit your website to high ranking directory submission websites at around 0.20 cents or less per submission! Set-up a package that fits your budget designed around your website. SEOSiteAdmin will save you time by having their team of trained SEO experts manually submitting your website for you. Your website will be submitted to reputable PR websites that are link farm free.

Directory submission is an excellent way to optimize for search engines by producing quality back-links for your website. Back-links are one-way links, that link back to your website, which will improve your rankings tremendously. Anyone who knows Search Engine Optimization, knows how important one way static links are for improving website rankings.
