MaxVal to Sponsor for 4th Annual Corporate IP Strategy Conference (CIPSC) - 2017

MaxVal is delighted to announce its participation in 4th Annual Corporate IP Strategy Conference (CIPSC) hosted by Unified Patents and the Santa Clara High Tech Law Journal.

MaxVal is delighted to announce its participation in 4th Annual Corporate IP Strategy Conference (CIPSC) hosted by Unified Patents and the Santa Clara High Tech Law Journal. The conference will be held on November 16, 2017 at Santa Clara University.

The CIPSC brings together the leading in-house counsel around the world to share their views and experiences on IP strategy and patent quality. CIPSC is an opportunity for the IP professionals to know about protecting and maintaining the quality of their IP assets.

As an exhibitor sponsor, MaxVal will demonstrate symphony® – an end-to-end intellectual asset management solution-- for companies to enable the IP counsel to make strategic data driven decisions.

“CIPSC is one of the IP events which helps IP professional to explore the IP strategy and patent quality. We are proud to be both an exhibitor and sponsoring organization for this event,” said D. Bommi Bommannan, Founder and CEO of MaxVal Group.

If you are attending this event and would like to know how you can achieve data driven outcomes optimization, contact bd@maxval.com to schedule a meeting with the MaxVal team.
