

Premier Hosting, Inc.

Search Engine Submission Tools is offered to USellCorp and PicNsell Users for Half Price.

Set up a campaign with SES Tools and find a price range that fits your marketing plans. A campaign equals one domain. That one Domain can be 1 page or 1000 pages, as long as those pages are from the same domain. Only pay for what you need for completely automated website promotions. Pricing is based off of the campaign level you decide to choose from, which ranges from:

Starter Plan \$14.99 Now \$7.50- Create and submit 1 campaign. Perfect for the beginner or someone with just a single domain who needs to drive traffic to their site.

Starter Plus Plan \$19.99 Now \$10- Create and submit up to 5 campaigns. Perfect for someone with just a couple of sites to promote.

Intermediate Plan \$24.99 Now \$12.50- Create and submit up to 10 campaigns.

Silver Plan \$34.99 Now \$17.50- Create and submit up to 20 campaigns

Gold Plan \$49.99 Now \$25- Create and submit up to 40 campaigns

Platinum Plan \$79.99 Now \$40- Create and submit up to 100 campaigns

Search Engine Submission Tools will help potential customers find you! Submitting your site consistently and properly will drive traffic to you. Manually submitting can take up hours of your valuable time - Search Engine Submission Tools completely automates this task. There's absolutely NO SOFTWARE to download, and our easy-to-use wizard will have you submitting your first site in minutes.

Manually submitting does not compare to the power of the Search Engine Submission Tools System!

Top Reasons Search Engine Submission Tools is a MUST HAVE Service:

- Unlimited re-submissions of multiple domains and pages
- 100% automated!
- Submitting your web site consistently is the #1 way to get indexed by search engines.
- Search Engines re-index their databases every 4-8 weeks
- Web Sites are removed and re-indexed during their updates
- Search Engine Submission Tools gives you the power to submit from once per month to once per day and many options in between, completely automated!
- You can simply set up Search Engine Submission Tools once and the system is then on Auto-Pilot! Never worry about resubmitting your site again!
- There's nothing to download, no software to learn. Search Engine Submission Tools's easy-to-use wizards walk you through several simple steps and you're done! If you know what your domain name is, you can use the Search Engine Submission Tools System!
- All of your data is stored with us. Want to change your resubmission schedule? It's done with 2 clicks! Nothing is more simple and can drive traffic like Search Engine Submission Tools!

Search Engine Submission Tools does all the work for you 24x7! Set up your domains ONCE and Search Engine Submission Tools will resubmit your site on the schedule YOU CHOOSE!

Do you have multiple domains? If so No Problem! Search Engine Submission Tools can submit any number of domains from 1 to 1 Million - all completely automated!
