"Christmas is a happy time but also an expensive time for families. So, we want to ease some of that financial stress with great deals to help save consumers' spending," said Angie Tang, Marketing Manager of Digiarty Software, "The on-sale WinX DVD Ripper Platinum 8.7.0, thanks to the latest update, gets enhanced in ripping the newest DVDs, and meanwhile exports digital copies faster than before - 5 minutes possibly while delivering a clearer H.264 encoded output quality."

This is the sixth update this year Digiarty performs to this software. To maintain WinX DVD Ripper Platinum's status as the strongest and fastest DVD ripper, this developer conducts quite a lot ground-breaking changes in 2017, such as adopting Intel QSV and NVIDIA (CUDA) NVENC based hardware acceleration to enhance speed significantly, rebuilding DVD mechanism for 99-title DVDs, TV series DVDs and workout DVDs, and updating register process to better protect buyers' interests.

WinX DVD Ripper Platinum is Digiarty's flagship product deeply favored by DVD owners worldwide and editors of technology sites. For DVD users, this is an extremely useful tool because it can rip virtually all DVDs - both old yet classic DVDs and newly bought discs - for backing up to hard drive, NAS, Dropbox, playback on iPhone, iPad, Android or other devices without DVD drive, sharing copies to friends, releasing more space for their shelves, etc.

Main features:

- Rip DVD to MP4 (H.264/MPEG4), AVI (Xvid/DivX), WMV, MOV, FLV, MTS, M2TS, etc.
- Copy DVD to VIDEO_TS folder, ISO image file, or backup main/full title content as a single MPEG2 file.
- Make outputs fully compatible with prevailing smartphones, tablets, game consoles, TVs, computers and more.
- Convert DVD to a format accepted by video-supporting sites and video editing programs.
- Extract audio tracks from DVDs as MP3, AC3, or AC3/DTS.

Another Christmas deal worth emphasizing is 65% off WinX Christmas Special Pack. This is a toolkit bundled with Digiarty's all featured products, WinX DVD Ripper Platinum, HD Video Converter Deluxe, DVD Copy Pro and MediaTrans, respectively. With this versatile kit, it is easy to rip DVD, copy DVD, burn DVD, convert 4K and other resolution sources, download videos songs online, and manage iPhone iPad files without using iTunes. Plus, steep Christmas discounts also apply to individual products.
